1. Read the article and answer these questions:

My name is Peter. I am interested in animals. I like watching TV because I love documents about animals. Last we were in the ZOO in Brno. Today we go to the ZOO in Zlín. Because we are children, tickets are very cheap. We want to see wild cats like lions and tigers. I want to see penguins and seals. Bill wants to see giraffes, hippos and ostriches. I don't want to see snakes because I hate them. Bill hates crocodiles. If you want to see parrots you must go past the snakes and then to the left. If you hate crocodiles don't go past hippos and then to the right. Next week we will go to the ZOO in Ostrava.
