HOBBIES

- Hobbies are activities, which we do in our free time. There are so many types of hobbies one can choose for his or her own. Some hobbies are expensive, some are dangerous, some are very romantic, some are very time-consuming (časově náročné).

Typical men's hobbies:

- Sport, stamps, watching football, ice hockey, motorbikes, cars, computers, Internet...

Typical women's hobbies:

- Knitting (pletení), painting and going to galleries, theatres, cooking...

Collecting hobbies

- We can collect a lot of kinds of thing - usually people collect the stamps, postcards or badges (znak), some people collect old cars, plain models, old motorbikes or other interesting things, which could be very expensive.

Art hobbies

- Going to the theatre, concert, opera; play some instrument (the most popular instrument is guitar); painting, writing, singing, dancing...

Sports, games

- Everybody do some sport activity - sport is healthy, keep us fit and keep our condition. Many students are members of a sports club - athletics, basketball, volleyball, swimming, handball and judo.

My hobbies

- I think I am talented in painting and drawing, I love it and it is my big love. My favourite theme of drawings are flowers and nature. I have my pictures hung on my walls and my friends like it. I have my big dream, I would like to have easel (stojan) to paint better. I love painting in nature especially in grass. When I was young I wanted to be profesional painter but it isn't good job in this time.
- My another hobbies is music. Music is very important in my live. Music gives me relaxation and if I am depressed music hepl me to be in good mood. I prefer pop, dance music and sometimes rock, but i dont like opera. My favorite singer is Robbie Williams and Beatles.
